High Tech Products for a High Tech World

Applied Chemicals International Group
Technical Service is our Success

Mission

The ACAT mission is to partner with our customers and suppliers to help them increase productivity, reduce costs and minimize risk by providing the best, innovative and sustainable technical solutions.

Vision

The ACAT vision is to be the most successful and respected specialty chemical company within our markets:

- **PROFIT:** Maximize long-term return to shareholders and employees while being mindful of our responsibilities
- **TEAM:** Be a great place to work where people are inspired and proud of themselves and their achievements
- **PARTNERS:** Building up a winning network from customers to suppliers to create long-term, enduring values
- **PRODUCTIVITY:** Be a highly effective, lean and fast-moving organization
- **SUSTAINABILITY:** Be a sustainable organization creating long-term values
- **ENVIRONMENT:** Be a responsible organization helping build and support sustainable living
